OXFORD YOUTH WORKS IN:

SCHOOLS

Working alongside young people in their learning environment. Providing encouragement and support to pupils and opportunities to explore the Christian faith. We have a great team of youth workers in schools who are in contact with hundreds of young people in Oxford every year.

YOUTH FIRST PROJECT

The Youth First project seeks to work within a community to bring about real change through supporting families, aiding education, and providing learning experiences for young people to engage with issues related to the Christian Faith

MENTORING

Oxford Youth Works' Mentoring Scheme provides young people in Oxford with an adult mentor. Through the scheme we see young people socially integrated, experience personal growth and have an opportunity to explore the meaning of life and the claims of Christianity.

COMMUNITY RESTORATIVE JUSTICE

Transformed relationships are vital to bringing transformation to communities. Community Restorative Justice helps young people learn how to re-build their broken relationships

CHURCHES

Encouraging Churches to engage in mission to young people in their area and providing training and opportunities for them.

WORSHIP

At the heart of Oxford Youth Works is a worshipping community of Christians. We invite young people to join with us to engage in spirituality and hear about Jesus.

THE OXFORD CENTRE FOR YOUTH MINISTRY

The BA Honours Degree in Youth & Community Work and Applied Theology is a unique vocational course that trains youth workers. Each student studies to degree level and receives a professional qualification in Youth and Community Work (JNC Level 2).

HOLIDAYS

Every year Oxford Youth Works organises trips to adventure camps for young people. At the camps young people have new experiences, are challenged, and make new friends.

Oxford Youth Works aims to see young people live in good relationships with their communities, society, themselves and God.

WHAT THEY SAY

"I will never forget the nurture and care I received when times weren't so good." A young person

"Probably the best thing about the trip was having the time to get to know people better and make new friends." Jo

"I went to worship down at the Oxford Youth Works centre on a Thursday, it was good and I learnt a lot. The one thing that was really cleared up was the rumour that Christians lead a boring life, and are boring to talk to. At the Centre there were a wide variety of different Christians and none were boring, none hit me around the head with the bible to knock some sense into me and not one of them tried to brainwash me." Vicky

"Oxford Youth Works has undoubtedly helped shape the person I am now." A young person

"What is needed is a relationship revolution: Oxford Youth Works provides tools to heal communities, workers to help integrate young people into their school, good adult role models to befriend them and an opportunity for every young person to respond to the Gospel. We really want you to join with us in what God has called us to do and become a partner" Ben Holloway, Director
